Computer Security Systems Specialist - Level II

What you'll get to do as Computer Security Systems Specialist - Level II at TDG:

- Manage the secure data center computer systems, networks, and/or applications.
- Provide support to plan, coordinate, and implement the organization's information security.
- Provide support for facilitating and helping agencies identify their current security infrastructure and define future programs, design and implementation of fire-wall and other related security issues on LANs/WANs.
- Working knowledge of several of the following areas is required: understanding of business security practices and procedures; knowledge of current security tools available; hardware/software firewalls and their implementation; different communication protocols; encryption techniques/tools; familiarity with commercial products.
- Direct security assessments certification and accreditation efforts. Detailed knowledge of NIST Special Publications related to security, FISMA, and OMB reporting requirements.
- Perform risk analyses which also includes risk assessment.
- Develop security standards.

Job Pre-requisites and Required Qualifications:

- **Mandatory:**
 - Must be capable of attaining Government Security Clearance NACL ("Public Trust").
 - CSAM experience
 - Minimum Experience: Eight years.
 - Education: Bachelor of Science
- **Desired:**
 - A current Government issued CAC. Not Mandatory but helpful in fulfilling the urgency of the requirement.

Place and Method of Work Performance:

- Candidate will be working 100% remote.
- Candidate will be required to attend virtual meetings utilizing Microsoft Teams.
- Candidate may be required to travel periodically for meetings and/or to obtain and provision appropriate GFE and/or PIV Cards.

This position is a highly visible position interacting with a major Federal Government client at a high level. Communication and writing skills are of paramount importance and the ability to work independent of supervision is critical.

Full Time Position

Salary Range: \$100,000 - \$105,000
